**epic:** /e-pik/ majestic, impressively great, heroic, of unusually great size or extent, surpassing the ordinary, impressive in quality.

The Epic is the newest tabletop die-cutting system from QuicKutz. It surpasses the size and scope of every die-cutting tool QuicKutz has released before, and beats all competing tools in both quality and performance. The Epic comes with everything you need to cut and emboss all QuicKutz dies as well as all other leading brand dies, making it the most versatile and truly epic die-cutting tool yet.

\*Preorder your Epic tool before August 31st and receive an instant rebate of \$20. You can also participate in a mail-in rebate offer valued at over \$20. Talk to your favorite QK retailer today to find out how you can make the most of this amazing offer!
